

## **ABBA MEDLEY**

I have a dream, a song to sing  
To help me cope with anything.  
If you see the wonder of a fairy tale  
You can take the future even if the - -

Super Trouper beams are gonna find me  
But I won't be blue, like I always do,  
'Cause somewhere in the crowd there's you!

I was sick and tired of everything  
When I called you last night from Glasgow  
All I do is eat and sleep and sing  
Wishing every show was the last show (wishing every show was the last show)  
So imagine I was glad to hear you're coming (glad to hear you're coming)  
Suddenly I feel all right (and suddenly it's gonna be)  
And it's gonna be so different when I'm on the stage tonight

Tonight the super troupers lights are gonna find me  
Shining like the sun (super troupers)  
Smiling, having fun (super troupers)  
Feeling like a number one.

Tonight the super troupers beams are gonna blind me (super troupers)  
But I won't feel blue (super troupers)  
Like I always do (super troupers)

I believe in angels, something good in everything I see  
I believe in angels, when I know the time is right for me  
I'll cross the stream, I have a dream  
I'll cross the stream, I have a dream  
I'll cross the stream, and I say - - -

Thank you for the music, the songs I'm singing  
Thanks for all the joy they're bringing  
Who can live without it? I ask in all honesty

What would life be?  
Without a song or a dance what are we?  
So I say thank you for the music  
For giving it to me

I've been so lucky, I am the one with shiny hair  
I wanna sing it out to everybody  
What a joy, what a life, what a chance  
Thank you for the music, the songs I'm singing  
Thanks for all the joy they're bringing  
Who can live without it, I ask in all honesty  
What would life be?  
Without a song or a dance what are we?  
So I say thank you for the music  
For giving it to me

So I say  
Thank you for the music, for giving it to me
