

FLOWER MEDLEY 2023

Everything's Coming Up Roses (Styne/Sondheim)

You'll be swell! You'll be great!
Gonna have the whole world on the plate!
Starting here, starting now,
honey, everything's coming up roses!

Clear the decks! Clear the tracks!
You've got nothing to do but relax.
Blow a kiss. Take a bow.
Honey, everything's coming up roses!

Now's your inning. Stand the world on it's ear!
Set it spinning! That'll be just the beginning!
Curtain up! Light the lights!
You got nothing to hit but the heights!
You'll be swell. You'll be great.
I can tell. Just you wait.
That lucky star I talk about is due!
Honey, everything's coming up roses for me and for you!

Flowers In The Rain (The Move)

Woke up one morning half asleep
With all my blankets in a heap
And yellow roses scattered all around

The time was still approaching four
I couldn't stand it any more
Saw marigolds upon my eider down

I'm just sitting watching flowers in the rain
Feel the power of the rain
Making the garden grow
I'm just sitting watching flowers in the rain
Feel the power of the rain
Keeping me cool

I heard the flowers in the breeze
Make conversation with the trees
Relieved to leave reality behind me
With my commitments in a mess
My sleep has gone away depressed
In a world of fantasy you'll find me

I'm just sitting watching flowers in the rain
Feel the power of the rain
Making the garden grow
I'm just sitting watching flowers in the rain
Feel the power of the rain Keeping me cool

San Francisco (Scott McKenzie)

If you're going to San Francisco
Be sure to wear some flowers in your hair
If you're going to San Francisco
You're gonna meet some gentle people there

For those who come to San Francisco
Summertime will be a love-in there
In the streets of San Francisco
Gentle people with flowers in their hair

All across the nation such a strange vibration
People in motion
There's a whole generation with a new explanation
People in motion people in motion
For those who come to San Francisco
Be sure to wear some flowers in your hair
If you come to San Francisco
Summertime will be a love-in there

I Never Promised You A Rose Garden (J Weatherly)

I beg your pardon
I never promised you a rose garden
Along with the sunshine
There's gotta be a little rain sometime
When you take you gotta give so live and let live or let go
Oh-whoa-whoa-whoa
I beg your pardon
I never promised you a rose garden
I could promise you things like big diamond rings
But you don't find roses growin' on stalks of clover
So you better think it over
Well, if sweet talkin' you could make it come true
I would give you the world right now on a silver platter
But what would it matter
So smile for a while and let's be jolly
Love shouldn't be so melancholy
Come along and share the good times while we can

BUILD ME UP BUTTERCUP (The Foundations)

Why do you build me up (Build me up)
Buttercup, baby
Just to let me down? (Let me down)
And mess me around
And then, worst of all (Worst of all)
You never call, baby
When you say you will (Say you will)
But I love you still
I need you (I need you)
More than anyone, darling
You know that I have from the start
So build me up (Build me up)
Buttercup, don't break my heart

Baby, baby, try to find (Hey, hey, hey)
A little time and I'll make you happy (Hey, hey, hey)
I'll be home, I'll be beside the phone waiting for you
Ooh ooh ooh, ooh ooh ooh

Why do you build me up (Build me up)
Buttercup, baby
Just to let me down? (Let me down)
And mess me around
And then, worst of all (Worst of all)
You never call, baby
When you say you will (Say you will)
But I love you still
I need you (I need you)
More than anyone, darling
You know that I have from the start

So build me up (Build me up)
Buttercup, don't break my heart

So build me up (Build me up)
Buttercup, don't break my heart
